Jared Wright is a wonderful 17 year old boy who has been diagnosed with Duchenne Muscular Dystrophy (DMD). Children with the disorder begin to show signs of muscle weakness as early as age 5. The disease gradually weakens the skeletal or voluntary muscles, those in the arms, legs and trunk. By the early teens or even earlier, the child's heart and respiratory muscles may also be affected. Nearly all children with DMD lose the ability to walk sometime between the ages of 7 and 12. In the teen years, activities involving the arms, legs or trunk require assistance or mechanical support.

With your generous contribution to Jared's Golf Benefit, you will not only have a fantastic day on the golf course and a wonderful dinner; you will also have the satisfaction of helping Jared and his family ease the financial burden of the medical equipment Jared will so desperately need to live a full and happy life.

**Thank you so much
for your support!**

Hole Sponsorship, Tournament Sponsorship & Prize Donation

Here's an opportunity for your company to be a sponsor of the "Golf for Jared" Golf Tournament to benefit the Jared Wright Special Needs Trust. A \$100 per hole sponsorship will display your company name for all golfers and guests to see. A \$250 Tournament Sponsorship will get your company recognized in the tournament program. Show your company's generosity and kindness back to the community. Prizes are needed and appreciated. All prize donations will be recognized in the program.
